## Code Enforcement Office

Instructions for Permit Applications:

1. All information MUST be printed legibly.
2. Owner name, address and phone number.
3. Location and address of work site.
4. Complete description of work to be done.

**Notes:**

It is the responsibility of all contractors, electricians and plumbers to obtain the necessary permits from the Code Enforcement office at the Municipal Building before any work has begun. Work must begin within six (6) months of the issuance of any permit.

Electrical and plumbing work requires separate permits. Electricians and plumbers must have a valid license from the State of New Hampshire to obtain a permit. Permits are not transferable.

It is the responsibility of the contractor / property owner to obtain all inspections required. A rough-in inspection is required before any work is covered, and a final inspection is required when all work is complete. This signed application constitutes consent on the applicant's part to allow for all inspections at the property location listed.

No permit will be issued until all of the above information is furnished, and all the above conditions are met.

*Permits are non-transferable.*

If you have any questions, feel free to contact the Code Enforcement office at (603) 755-2774.

Statement of Compliance: I hereby apply for permission to make certain building improvements as described above (plans to be submitted, if required by the building inspector). I have read and understand the statement and hereby agree to all of the terms stated therein. I agree to abide by any and all codes relating to my field of work, including all national, state and local codes. I also realize that any false statement made in the application for permit may be grounds for revocation of said permit, and may be grounds for legal action against me.

Code Enforcement Approval would certify that the applicant could proceed with certain building improvements in accordance with the specifications submitted. Any deviation from the specifications submitted will require an amendment to this permit or additional permits.
