

LIABILITY RELEASE FORM

TOWN OF FARMINGTON, NH 03835

In signing this liability release between myself, the property owner and the Department of Public Works, I agree that the Town will not be held under any accountability, for my choice in having taken charge of fill materials from a roadside clean up effort. I am fully aware that the fill that I have accepted is NOT deemed "clean," (which means there may or may not be contaminants within the soil deposit) and therefore do not in any circumstance hold liable the town for any elements that were assorted in the delivery.

I hereby certify that I understand the above risks associated with this activity and agree that The Town of Farmington, New Hampshire and the employees from the Department of Public works, shall not be responsible for all of the following but not limited to: any property damage, illness, organisms, quality of soil, episodes resulting from runoff, or any possible contaminants. . I am hereby releasing the Town of Farmington, in its entirety, from any and all liability regarding this matter.

I will be held solely responsible for any matters that pertain to the acceptance of fill material on this date: _____.
