Remember to
PACK-IT-IN/PACK-IT-OUT
By packing out whatever you pack in to the trails, you help to keep the property clean and beautiful for everyone.

Please help keep our conservation lands in their natural state by following these guidelines:

Permitted uses:
Hiking
Hunting
Cross country skiing
Snowshoeing
Fishing
Bicycling

No wheeled motorized vehicles
No defacement of plants, rocks, signs, walls
No dumping
No overnight camping
No fires

Please be aware that hunting is allowed on the French Conservation Property. Hunting seasons are posted at the kiosk on Hornetown Road.

Welcome to the French Conservation Property

Work is underway on trail construction, and although it is rough at the moment, the trail is open for walking- just follow the flags.

In the future there will be informationai posts along the trail marking points of interest, including the woodcock singing area developed under the guidance of biologists from New Hampshire Fish and Game.

Enjoy your time on the trails, and visit again soon!
