Economic Development News

Members:

Randy Orvis, Chairman

Denise Roy-Palmer, Vice Chairman

Ann Titus, Selectmen's Rep.

Martin Laferte, Planning Board Rep.

Angela Hardin

TIF District

The TIF District Advisory Board is well on its way to being completed. We currently have 4 Board members signed on

- *Daniel Woodman – Business Owner
- *KJ Cardinal – Business Owner
- *Michelle Cammett – Business Owner
- *Elaine Aylard – Resident

The Board needs to fill one last space before it can start on any business. To be part of the TIF District Advisory Board, you must live in or adjacent to the TIF District or own a business in the TIF District. Anyone who would like to join can contact Erica Rogers or Arthur Capello at the Town offices!

Please call 755-2208 for more information!

Business of the Month

Crowley's Variety and Grill!

Crowley's is a local Convenience Store that is more than just another Gas Station. We thrive on customer service, quality food at a reasonable price, and provide a wide variety of products to sell at affordable prices (lottery, beer, wine, tobacco, and grocery). Where else can you buy a breakfast sandwich and get a free 12oz cup of Green Mountain Coffee?

Crowley's is independently owned and operated by Judith Crowley, Dan Crowley, and Ryan Rogers. Since we first opened our doors on December 1, 2009, it has been our mission to make our store a place where customers feel welcomed upon entering the store, taking time to get to know your name and purchasing preferences, and making the customer feel appreciated for coming in and supporting our business (sometimes you walk into a store with no acknowledgement, take your money, and good-bye). We also believe in supporting our local community and over the years have donated numerous contributions to the Farmington 500 and other local charities. Without our community we would not be a business.

Crowley's has been closed for about 5 weeks due to the installation of a new gas tank and are excited to be back open again, despite not having fuel up and running. We are confident that this will all be put behind us soon. We thank all of our customers for being loyal patrons and have made some slight modifications to our store. We made the store more presentable by cleaning it from top to bottom, re-painted the interior of all the walls, a fresh coat of wax on the floor, made the store more spacious by rearranging our merchandise, expanding out product line, re-designed our website to make it more user friendly and installed a second register so that you have more time to enjoy your lunch break or dinner with your family. Gas is now up and running with new "pay at pump" feature. We look forward to serving you. Thank you!
