PUBLIC HEARINGS

Continuation of Public Hearing for Consideration and Possible Vote to Adopt Master Plan:

In accordance with RSA 675:6 and RSA 675:7 notice is hereby given to all residents of the Town of Farmington, the public and interested individuals that a public hearing will be held by the Farmington Planning Board to consider a vote to adopt the Farmington 2021 Master Plan.

Mr. King said this public hearing was continued from the public hearing held at the June 15, 2021 meeting. He said because Mr. Pimental and a couple of the board members were absent and they did not receive any official comments from the Board of Selectmen he would be in favor of continuing this public hearing to their next meeting.

He said if the board wanted him to do so he would officially e-mail the Selectmen to see if they have any thoughts or comments on the Master Plan to give them the opportunity before they

consider adoption of the plan.

Chairman King opened the public comment portion of the hearing at 6:03 p.m.

There were no members of the public present.

Chairman King then opened the hearing to discussion from the board members.

Mr. Pelkey said the public hearing should be continued to a date certain which would be August 3.

Motion: (Henry, second Pelkey) to continue the public hearing to August 3 during our regular Planning Board meeting;

Discussion: Mr. King said he would send an e-mail to the entire Board of Selectmen and the Town Administrator to see if they have any input on the plan.

Consensus of the board was to have Mr. King contact the Selectmen and Mr. Capello for their input.

Mr. King said he would like to have Mr. Pimental present to see if he has received any public input on the plan. All of the work has been done so there is no reason not to continue it he said.

Vote: The motion passed 4-0.

Chairman King then closed the public comment portion of the hearing at 6:06 p.m.

Adjournment:

Motion: (Pelkey, second Fisher) to adjourn the meeting passed 4-0 at 6:07 p.m.
