The undersigned hereby makes application to the Town of Farmington for a temporary use permit to temporarily place a recreational vehicle on a vacant lot between the dates of May 1st and October 1st in any given year. All required information shall be submitted to the Town before a temporary use permit is issued.

Description of recreational vehicle (RV): License # _____ State _____

Indicate whether sewer, which includes both black and grey water, will be disposed of On-Site ☐ or Offsite ☐

If sewer will be disposed of Onsite, indicate whether through an Approved Septic System ☐ or Holding Tank ☐

If the applicant is using an Approved Septic System, a copy of the NHDES issued permit shall be provided. If the applicant is using a Holding Tank, a copy of the sewer disposal contract between the applicant and the service provider for pumping out the tank shall be provided.

If sewer will be disposed of Offsite, indicate how and where: _____

Indicate plan for proper trash and waste stream removal: _____

A letter from the property owner is required allowing anyone other than the property owner to place a recreational vehicle on their property. No more than one (1) recreational vehicle may be located on a lot at a time.
