ZONING ASSESSMENT APPLICATION – TOWN OF FARMINGTON

The purpose of this form is to assist the Code Enforcement Officer in rendering a decision regarding the adherence of proposed development to the Town of Farmington Zoning Ordinance.

Also include a sketch showing the layout of the land and the boundary lines, where the house is located, and any accessory structures of the parcel. Also indicate where on the parcel the proposed use will be contained.

ZONING - DESCRIPTION OF PROPOSED ACTIVITY

Please describe in detail the activities that will take place on this lot.

If the lot is vacant and you plan to construct a building, describe the purpose for which you are constructing the building. For example, a good response might be, "I am building a 50'x60' building to be used for my business. I sell and service used cars." This will allow the Code Enforcement Officer to determine whether or not the proposed activity is allowed where you want to do it, in accordance with the Town of Farmington Zoning Ordinance.

_____
_____
_____
_____
_____
_____

☐ This activity is allowed in the _____ Zone. This is an activity that can be conducted in conformance with the Farmington Zoning Ordinance.

_____
_____
_____

☐ This activity is allowed in the _____ Zone, however, the dimensional requirement or setback requirements cannot be met.

_____
_____
_____

☐ This activity is not permitted in this zone, therefore this application is denied.
