

Town of Farmington

Transfer Station

29 Dump Road • Farmington, NH 03835

phone (603) 755-4981 • highway@farmington.nh.us • www.farmington.nh.us

HOURS OF OPERATION & ADDITIONAL IMPORTANT INFORMATION

Sunday, Monday, Friday, Saturday 8:00AM- 3:45PM

When you arrive at the Transfer Station, please see an attendant before tossing anything in the disposal cans. All materials need to be properly sorted for collection from Waste Management. This listing should only serve as a pricing guide for organizing materials before arrival to the Transfer Station.

Landfill Window Sticker Permits: You can obtain the window stickers at the Transfer Station and at the front desk of the Town Hall office. In order to obtain one, you will need to show your vehicle registration. If your vehicle is not registered in Farmington, you can obtain a temporary permit from the Selectman's Secretary at the Town Office.

Bag Stickers: \$1.50 per bag and are good for disposal of the one 30 or one 33-gallon clear bags for household trash. Two Bag stickers are required for the disposal of one 55-gallon size clear bag of household trash. Bag stickers are available for purchase at the Transfer Station, Town Hall, Mills Market (16 Spring St), and Cumberland Farms (509 Main St).

THE FOLLOWING SOLID WASTE ITEMS WILL BE ACCEPTED AT THE TRANSFER STATION:

Regular Household Trash:

Must be disposed of in 30, 33, 55-gallon CLEAR trash bags. Regular Household trash is also known as domestic waste or residential waste, which is refuse generated by households. This type of non-hazardous waste is made up of food scraps as well as the containers they come in, newspapers, bottles, cans, etc. parts of this group, can be classified as recyclables. No other items are classified in this category or will be accepted in the trash bags. These bags must have the proper bag stickers affixed to the outside.

The items below are priced at \$0.08 pound and will be weighed with our certified scale, these are examples of the materials for each category, however everyone must see an attendant:

Construction & Demolition Debris:

Dry sheetrock, plaster and lathe (non-asbestos containing materials), all types of lumber, and insulation.

Inert Materials:

Concrete, bricks, masonry, ceramic as well as porcelain items (sinks, tiles, toilets, dishes etc.)

Furniture & Bulky Items:

Furniture, clothing, blankets, bedding, pillows, animal beds, couches, mattresses, non-freon containing appliances.

Asphalt Shingles:

Clean asphalt shingles only (non-asbestos containing materials). No metal flashing or nails will be accepted with shingles, for safety – these items must be removed.
