Technical Review Committee Meeting
Tuesday – January 11, 2022
356 Main Street - Farmington, NH

AGENDA – 2:00 PM

Major subdivision for New Style Homes, Tax Map R61, Lots 10 and 19-1. The applicant is proposing a 6-lot subdivision with a 900-foot-long cul-de-sac with associated driveways and drainage facilities, on-site wells, individual sewage disposal systems, and underground utilities. The proposal creates 2,950 square feet of permanent impact to a wetland because of fill in connection with road construction and additional disturbance within the wetland buffer associated with the remainder of the development. The proposed project is located off Foxtrot Drive and is within the Rural Residential (RR) Zoning District
