Technical Review Committee Meeting
Thursday – April 28, 2022
356 Main Street - Farmington, NH

AGENDA – 1:00 PM

Review of site plan for Kodiak Group, Tax Map U6, Lot 19. The proposal is to redevelop an existing two-story building with a mixture of commercial and residential uses. The applicant plans to renovate the existing commercial spaces into two storefronts with six residential units above the commercial space, as well as the first floor in the rear portion of the building. The parcel is located in the Village District Zoning District and is tied into municipal water and sewer.
