**Farmington Planning Board seeks to fill several vacancies**

The Farmington Planning Board is an organized group of local volunteers in charge of carrying out the future needs, wants, and vision of the community. This is accomplished through regulatory and non-regulatory functions, which include the creation of regulations and the review of development applications.

As a community, we encourage public participation and are seeking new members to fill several vacant positions on the board. Joining the planning board not only offers a chance to give back to the community, it can be a rewarding and valuable experience, and helps shape the Town's future.

To download an application, [click here](#) or visit the Town's webpage. Completed forms should be returned to the Town Clerk's Office in person, by mail, or by email.
