As of Monday, November 14, the Farmington School District will be transitioning its School Resource Officer services from the Strafford County Sheriff's Office back to the Farmington Police Department.

This Monday will be Deputy David Fencer's last day with us as he will be reassigned within the Sheriff's Office, filling needed positions within their ranks. "Defense" has been a valuable member of our school community, and he will be missed. Please join us in thanking Deputy Fencer for his service, humor, and diligence in keeping us safe for the past year.

Rejoining us Monday as SRO/Tuancy Officer will be Sergeant Antoinette Webster from the Farmington Police Department. Sgt. Webster (then Officer Webster) served as SRO here in 2019 and 2020, and we welcome her back. She has been serving as community liaison officer for the Farmington Police, and this position gives her additional opportunities to work with the younger members of our community.

The Farmington School Board has also committed to filling a second SRO/Tuancy position on campus, with an anticipated start date in January 2023.
