Any documents and/or communications from the Board's third party consultants, including but not limited to DuBois & King, Inc., are not a representation, upon which the applicant (including its officers, directors, partners, members, agents, employees, representatives, contractors and subcontractors) can rely, that the applicant's project is: fully compliant with State or Federal law; logistically feasible at the site; or devoid of any liability to third parties – including but not limited to abutters.

Filing of the Application

1. Applications for excavation permits shall be filed with the Board at a regularly scheduled meeting.
2. The application will be reviewed with the applicant at the meeting, and will be accepted by the Board only if it is found to meet all submission requirements for a completed application. Should the application not be accepted as complete, another meeting must be scheduled for submission.

Board Action on Application

1. Following a vote to accept the application as complete, the Board will schedule a public hearing to be held within 30 days.
2. Within 20 days of the close of the hearing on the application, or any continuation thereof, the Board shall make a decision. Notice of this decision shall be recorded in the minutes of the meeting and placed on file in the Town offices within five (5) business days of the meeting.
3. The applicant shall receive a written copy of all pertinent meeting minutes along with the decision. In the event the application is disapproved, the reasons for the disapproval shall be given.
